Emerald earrings are beloved for their refined beauty and timeless appeal. Among the most popular styles are **emerald studs**, such as our **Solo Emerald Studs**, crafted in PureJewels’ exclusive 22ct Sunrise Gold. These feature natural Zambian emeralds, brought to life by a twist wire setting that enhances both strength and elegance. Their simplicity makes them ideal for everyday sophistication.

Another elegant offering is the **Shooting Star Emerald Droppers**—a celestial-inspired masterpiece set with 1.99ct of natural Zambian emeralds. Designed to evoke movement and grace, these 22ct Sunrise Gold earrings cascade beautifully, adding luminous glamour for special occasions or statement moments.

Yes, the term “emerald studs” is simply a shorter expression for “emerald stud earrings,” typically featuring a single emerald or petite cluster attached directly to the post for a neat, refined look.
