Gold is more than an ornament—it holds emotion, heritage, and value. If you have gold jewellery you no longer wear or simply wish to convert into cash, PureJewels offers a trusted and transparent **cash for gold service for customers in Kent** and surrounding areas.

As a fourth-generation family-run jeweller, we are proud to serve clients across the South East of England. Whether it’s broken gold chains, old bangles, gold coins, or heirloom pieces, our expert team will assess your items **in-store or via pre-arranged consultation**, offering you:

- **Free gold purity testing** using industry-grade equipment (no hidden charges)
- **Real-time valuation** based on current live gold rates
- **Same-day bank transfer payments** for your convenience
- **A full, detailed receipt** for every gold transaction
- **The option to reinvest or upcycle your gold** into something new and bespoke

Your gold is tested **while you wait**, using XRF (X-ray fluorescence) technology for accuracy and complete transparency. There’s no obligation to sell, and we are happy to talk you through every step of the process with the warmth and professionalism we’re known for.

Whether you're in **Canterbury, Maidstone, Dartford, Ashford**, or anywhere across Kent, it’s worth speaking to a jeweller with integrity. Many of our Kent-based clients choose to visit our London showroom for the quality of service and competitive pricing we provide.

If you’re looking for a reliable place to get **cash for gold in Kent**, PureJewels is here to help—honestly, efficiently, and respectfully.
