How to get from Dagenham to PureJewels on Green Street, Upton Park

About PureJewels

PureJewels is a family jeweller renowned for its design-led 22ct gold, diamond, and platinum pieces, crafted for milestones and everyday devotion. Our London showroom, located on Green Street in Upton Park, brings together heritage craft with contemporary design, and every piece is hallmarked in the UK for purity certification. If you are visiting to view engagement rings, bridal sets or our signature Sunrise Gold collections, our team will be happy to guide you.

Fastest route (Tube)

From Dagenham East, Dagenham Heathway or Becontree, take the District line westbound to Upton Park. Exit the station towards Green Street and walk straight along Green Street to our showroom. This is typically the quickest and most reliable option across the day.

Easiest route (minimal changes)

Stay on the District line all the way from any Dagenham District line station to Upton Park. The level interchange and frequent service make this the simplest journey, especially if you are visiting with family or carrying gifts.

Cheapest route (bus plus Hopper fare)

Take a local bus from Dagenham towards Barking or East Ham, then change to a bus for Green Street or Upton Park. Using the Hopper fare keeps costs low within the TfL network. Allow extra time at busy periods.

By car

Set your sat nav for Green Street, Upton Park, London E7. Approach via the A13 or A124 and allow time for weekend traffic or match days. There is limited on-street pay-and-display nearby with public car parks in the wider area.

Taxi or ride-hail

Taxis and ride-hailing are convenient from Dagenham for a direct door-to-door visit, useful if you prefer not to change services or are collecting special items.

If you would like live route guidance for the day of your visit, call us and we will be glad to help. We look forward to welcoming you to PureJewels on Green Street.
