Fastest route (Tube)

From **Gants Hill (Central line)** go **westbound to Mile End**, change cross-platform to the **District** or **Hammersmith & City** line **eastbound**, and continue to **Upton Park**. Exit towards Green Street and walk along Green Street to the showroom.

Easiest route

Use the same **Mile End** cross-platform interchange and remain on the **District/H&C** line to **Upton Park**. Minimal walking and frequent trains make this the simplest option, especially if you are bringing items for repair or valuation.

Cheapest route (bus)

Take a bus from **Gants Hill to Ilford or Stratford**, then change for services to **Green Street/Upton Park**. The **Hopper fare** keeps costs low when you change within the TfL time window.

By car

Use the **A12** then **A118/A124** for the final approach. Allow time for weekend traffic or match days. On-street **pay and display** operates locally around Green Street.

Taxi or ride-hail

A simple door-to-door option, ideal if you are collecting a bespoke commission, dropping off repairs or bringing jewellery for cleaning and valuation.
