How to get from Loxford to PureJewels on Green Street, Upton Park

About PureJewels

PureJewels is a London luxury atelier offering bespoke engagement rings, wedding bands and heirloom pieces, crafted in 22ct Sunrise Gold, platinum and select diamonds. Expect thoughtful design, precise setting and UK hallmarking on every piece. Our team welcomes you for private fittings and design consultations.

In-store services

- **Repairs & resizing** – from ring sizing to chain soldering and refinishing
- **Valuations** – insurance and probate with formal reports
- **Jewellery cleaning & restoration** – ultrasonic clean and professional polish
- **Sell or part-exchange your old gold** – fair, transparent live-rate pricing
- **Personalised jewellery** – engraving, birthstones, initials and names
- **Bespoke orders** – concept to creation with sketches, CAD and sample fittings

Fastest route (Train/Bus + Tube)

From **Loxford**, take a short bus to **Barking** or **Ilford**. From **Barking**, board the **District or Hammersmith & City** line **westbound** to **Upton Park**. From **Ilford**, continue by bus to **Green Street/Upton Park** or take the rail to **Stratford,** then **District/H&C** to **Upton Park**.

Easiest route

The **direct bus corridor** along **Ilford Lane and Romford Road** offers simple links to **Green Street** with minimal walking, ideal if you are carrying items for cleaning or valuation.

Cheapest route (bus + Hopper fare)

Use buses between **Loxford ↔ Ilford/Barking ↔ Green Street** and take advantage of the **Hopper fare** for low-cost changes within the TfL window.

By car

From Loxford, approach via **Ilford Lane → A123/A124** towards Upton Park. Allow time for weekend traffic. Local **pay and display** bays are available around Green Street.

Taxi or ride-hail

A quick, door-to-door option, helpful when dropping off repairs or collecting finished pieces.

If you'd like live route advice for the day or to book a private consultation, call us and we will be happy to help.
