Can I Sell Gold and Diamonds?

Sell Your Gold · https://www.purejewels.com/faqs/sell-your-gold/can-i-sell-gold-and-diamonds/

If you are considering **sell gold and diamonds**, it is important to understand that the gold and diamonds may have separate values.

Gold jewellery containing diamonds can include rings, earrings, necklaces, bracelets and other items. The value of the gold may depend on its purity and weight, while the value of a diamond may depend on factors such as its carat weight, colour, clarity and cut.

If you are looking for **gold and diamond buyers**, make sure you understand how both parts of your jewellery will be assessed.

You may also be searching for **sell gold and diamond jewelry** because you have unwanted or old jewellery. Before selling, keep any diamond certificates, receipts or other documentation where possible.

Understanding the value of both the gold and the diamonds can help you make a more informed decision.
