Can I Sell My Gold and Silver Together?

Sell Your Gold · https://www.purejewels.com/faqs/sell-your-gold/can-i-sell-my-gold-and-silver-together/

If you are considering **sell my gold and silver**, you may have several unwanted or old items made from different precious metals.

Gold and silver have different purity standards and market values. For this reason, the metals may need to be identified and assessed separately.

Gold jewellery may include items made from 9ct, 14ct, 18ct or 22ct gold. Silver items may also have different fineness marks. Checking for hallmarks can help identify the metal and its purity.

If you want to **sell silver and gold**, it is useful to separate the items where possible and keep any relevant documentation.

Understanding the type, purity and weight of each item can help you make a more informed decision about your unwanted precious metal jewellery.
